# THE WONDER TEAM AND THE FOOTBALL PHANTOM

## TEACHING RESOURCE

The Wonder Team books are a series of books that follow a group of friends magically transported around the world and through time. The latest edition focusses on a trip to Mexico in 1971, for an often overlooked first world tournament in Women's Football. Far more than than a book on football history, it encapsulates learning on a variety of topics, which are further explored through this guide. Through the book and accompanying guide, many aspects of the KS2 & KS3 National Curriculum are touched on, particularly English, Geography and Science.

**Word of the Chapter** - For each chapter there is a word of interest selected from the text. These can be used in a variety of ways -

- Discussion of the word meanings.
- Prompts for looking up in dictionaries independently.
- As writing prompts to embed with the correct context within sentences.

**Discussion Prompt** - Each chapter also features a question to discuss. They range from discussing the characters and predictions for the book to reflecting on the situations presented. Many of these questions are specifically worded to tie in with the KS2 & KS3 National Curriculum.

**Activity Ideas** - There are a selection of activity ideas that link in with the text. They're numbered by the page that they tie in with and can be found below the chapter breakdown. There's a mix of writing prompts, STEM ideas and more - all linking in with the National Curriculum.
